6TH ANNUAL CANDLELIGHT WALK AT FAIRFIELD COUNTY JOB AND FAMILY SERVICES

April is Child Abuse Prevention Month and will be highlighted by the sixth annual Candlelight Walk at 6:30 p.m. on Thursday, April 19, following Circus Night at Fairfield County Job and Family Services. The walk will begin at Fairfield County Job and Family Services, located at 239 West Main Street, and will continue to the gazebo on Zane Square. Participants will carry candles to "Light the Way of Hope" for abused and neglected children in Fairfield County. By carrying a candle, participants can symbolically help create a path of light for the children of Fairfield County who suffer through the darkness of abuse and neglect every year. Everyone is encouraged to attend to help bring attention to those children victimized by child abuse and neglect and to help increase advocacy and community awareness to this growing national problem.
